These rules and regulations shall govern the use and occupancy of all units and shall be deemed in effect until amended by the Board of Directors, and shall apply to and be binding upon all Owners and their Tenants. These rules and regulations amend and replace all rules and regulations previously developed by the Master Association, as amended and supplemented from time to time. These rules and regulations are adopted by the Board of Directors pursuant to Section 4.4.2 of the Bylaws of the Master Association (the "Bylaws"). These rules and regulations may be amended and/or supplemented from time to time by the Board of Directors.

All Owners shall, at all times, obey these rules and regulations and shall use their best efforts to see that they are faithfully observed by their Tenants, employees, families, Guests, invitees, and persons over whom they exercise control and/or supervision. These rules and regulations are subordinate to and designed to further the purposes and intent of the Amended and Restated Declaration of Covenants, Conditions and Restrictions for the Riverwalk at Edwards. In the event that there is a conflict between these rules and regulations and the Declaration, the Declaration shall control.

These rules and regulations are designed to make living and working in any and all buildings at the Riverwalk at Edwards pleasant and comfortable and to ensure harmonious relations. As neighbors, all of us have rights and obligations. The regulations that we impose upon ourselves as Owners are for the mutual benefit and comfort for everyone at the Riverwalk at Edwards. Objectionable behavior is not acceptable even if it is not specifically covered in these rules. Rules and regulations to be effective must be enforceable. Accordingly, violations by Owners, their Tenants, employees, families, guests, invitees, and persons over whom they exercise control will be acted on as follows:

A firm, informative and friendly notice will be given verbally by the property manager for an infraction.

Thereafter, an offender of these rules and regulations will be subject to enforcement action the Board of Directors deems in its sole discretion necessary depending on the nature and severity of the violation according to the following scale, based upon the same infraction, unless otherwise specified in these rules. Please note that Owners and Tenants shall have the right to a hearing before a fine is levied.

1<sup>st</sup> infraction – Owner (and Tenant, if applicable) will receive a written warning

2<sup>nd</sup> infraction – Owner may be assessed a \$50 fine payable with next association Assessment. Owner (and Tenant, if applicable) will be notified in writing that the fine was assessed.

3<sup>rd</sup> infraction – Owner may be assessed a \$100 fine payable with next association Assessments. Owner (and Tenant, if applicable) will be notified in writing that the fine was assessed.

Subsequent infractions – Owner may be assessed fine increasing by \$50 increments.

The Board of Directors retains the right to increase subsequent fines based on number of infractions for each violation.

Continuous violations may result in a \$25 per day late fee until the fine is paid in full or the infraction is resolved and rule is complied with.

From the date of notification of the offense, offenders shall have the opportunity to have a hearing at the next Board meeting. All requests for a hearing must be in written form submitted to the Executive Board via the Property Management Company by mail, electronic mail or facsimile. Offenders filing for a hearing shall be given the opportunity at the Executive Meeting to join in or to have its representative or agent join in discussion from the floor of any prospective action, policy or program to be implemented by the Board, any committee thereof, or the Association.
